

Cap Screws & Hex Bolts Cont.

Stainless Steel Nylon Patch Hex Cap Screws

18-8 stainless steel Hex Cap screws available with a nylon patch. The nylon patch on these screws act as a thread locker, and helps to prevent the cap screw from loosening due to vibration.

Heavy Hex Screws

Stainless Steel Heavy Hex Bolts

Heavy Hex Bolts have a wider head than that of a standard hex bolt.

The large head offers a greater bearing surface that distributes the clamping load over a greater area.

- Stainless steel studs provide excellent protection against rust and corrosion.
