MaxView™ Corrosion Resistant All-Welded Locker

Hallowell All-Welded MaxView lockers are perfect for tool and equipment storage.

- Heavy-duty all-welded construction meaning no assembly required.
- All sheet steel components are galvaneal for added corrosion resistance
- Durable powdercoat finish
- Color: Sport Silver
- Four sided ventilation allows for free air-flow and high visibility
- Extra heavy-duty 14 gauge door is diamond perforated for added visibility and ventilation and includes a welded-in full height door stiffener
- Heavy gauge tubular frame
- Hinges are super-duty 13 gauge 7-knuckle, 3-per door
- Single-point projecting friction catch door pull prepared for both padlock or built-in lock
- Top, bottom and shelves are heavy-duty 16 gauge
- Sides and back are 13 gauge flattened expanded metal providing maximum ventilation while allowing easy viewing of locker contents
- Four welded-in fixed shelves provide ample storage space
- Bottom shelf of locker sits a full 2-3/4" above finished floor shielding locker contents from water damage
- Number plates (#1-up) with mounting hardware
- Locks are not included

Style - Knock-Down					Silver
