**Scotch® Labelgard™ Film Tape 821**

Highly-transparent film tape designed for label protection. Matte pink finish eliminates glare and provides a write-on surface that is scannable from a distance. Correction may be made directly onto acetate backing with No. 2 pencils, ball point, many marking pens and some stamp pad inks, making this system acceptable for label covering by the U.S. Postal Service. The tape is easily dispensed to protect labels and bar codes. Excellent UV resistance provides long aging characteristics. Acrylic adhesive. 8 per case.
