Sliding Door Shelf Cabinets

Part No.	Width	Depth	Height	Number of Shelves
7049958	56-1/2"	28-1/2"	41-3/4"	1 Full Shelf
7049959	40-1/4"	22-1/2"	41-3/4"	3 Full Shelves

Revolving Bins & Accessories

Rotabins

Rotabin circular revolving shelf units are a sensible way to save space in storage and merchandising areas. Production areas, maintenance rooms, warehouses, parts counters, hardware stores and home centers alike have found that Rotabin units have a unique ability to concentrate more small parts into less space than traditional linear shelving.

Part No.	Shelf Diameter	Height	Number of Shelves	Number of Compartments
561208-130584	28"	52-7/8"	8	48
