

**Racking & Shelving Cont.**

**Swinging Panel**

- Mounts directly to SmartRack base units
- The swinging panel allows storage on two sides with easy access through a swinging feature
- Use Hooks to hang and organize
- 50 lb capacity
- Powder coat blue

Part No.	Width	Depth	Height
0590228	28"	24"	49"

**Hooks**

- Industrial strength storage hooks
- 6" hooks
- Package of 10

Part No.	Style
0590241	Single
0590242	Double
0590243	Loop

**Shelving**

**Plastic Shelving Unit**

- 5 Shelf Storage Unit
- Durable resin construction
- Easy no tools assembly
- Holds up to 150 lbs. per shelf
- Maintenance free

Part No.	Number of Shelves	Width	Depth	Height	Capacity
0528913	5	30"	20"	72-5/8"	150 lb/shelf

*Fastenal can provide the benefits of low cost overseas sourcing without the risks or hassles.*

**Hi-Tech Closed-Type Industrial Grade Shelving Units**

**48-Hour Shipping From Factory Stock**

- Beaded for maximum strength
- Flush to permit straight-in/straight-out shelf installation, shelf changing and shelf loading. No tilting needed
- Maximize the full use of shelf area
- Punched on 1-1/2" centers to allow positioning of one shelf independent of other shelves
- Angle back posts and tee posts are roll formed into a unique angle shape for maximum strength
- Posts are punched on 1-1/2" centers to allow independent shelf adjustment
- Angle Posts can be used in place of Beaded Front Posts if desired
- Four one piece shelf clips support each shelf
- Clips snugly into post slots to hold shelves securely
- Fits both Beaded Front and Angle Back Posts as well as T-Posts
- Clips provide independent shelf positioning on 1-1/2" centers
- Non-Intrusive clips sit flush with inside edge of front posts
- Heavy-duty shelves have a tubular flange front and rear for greater strength
- Exclusive triple bend side flanges for added strength
- Lapped and welded corners
- Available in three load capacity classes up to 48" wide spans and 36" depths
- Shelves are punched to accept shelf dividers
- Color: Hallowell Gray
