

## Wire Strippers & Cutters

### Heavy-duty Automatic Wire Stripper

**QUICKCABLE**

- Cuts and removes jacket all in one motion
- Professional grade

Part No.	Wire Size
0717141	10 - 4/0 AWG

### QuickStrip™ Cable Stripper and Replacement Blade

- Strips insulation from cable
- Comes with replacement blade
- Strips up to 4/0 Gauge Cable

Part No.	Wire Size	Length	Style	Type
0717142	10 - 4/0 AWG	6"	Battery Cable	Cable Stripper
0717143			Cable Stripper	Replacement Blade

## Crimping Accessories

### Service Parts for Crimpers

**QUICKCABLE**

Part No.	Model Compatibility	Type
0717145	Quick Cable HEXCRIMP® crimper	Replacement Die
0717146	Quick Cable HEXCRIMP® crimper	Maintenance Kit

## Crimping Tools

### Brute™ Hammer Crimper

**QUICKCABLE**

- Inexpensive, simple crimping tool
- Use with hammer, vise or press
- Spring loaded pin locks in "up" position for loading connector & cable, when released pin holds connector securely during crimping, a QuickCable® exclusive
- 6 Month warranty

Part No.	Wire Size	Length	Material
0717149	8 - 4/0 AWG	4"	Cast Steel

### HexCrimp™ Crimpers

- Crimps all major brands of connectors
- Patented features
- Made in North America

Part No.	Wire Size	Length	Grip Type	Style	Material
0715837	8 - 6/0 AWG	26"	Cushioned	Hand Held	High Carbon Steel

**FASTENAL**

*If you can't find it on our shelves or in our catalog, we'll make it for you at one of our manufacturing locations*

## Adapters

### Fluke TL82 Automotive Pin & Socket Adapter Set

**FLUKE**

An absolute must-have for work on Asian or European vehicles. This collection of male and female adapters allows you to make firm connection to pin and socket connectors. Useful when making voltage, frequency, duty cycle or resistance measurements and a must when measuring current requiring the meter be placed in series in the circuit. Set contains: Retractable shrouded test leads. Complete set of 8 pin-and-socket adapters with flexible tips; one red and one black in the following sizes:

- Size 22 contact 0.030 in. (0.76 mm) rated 5 A
- Size 20 contact 0.040 in. (1.02 mm) rated 7.5 A
- Size 16 contact 0.063 in. (1.60 mm) rated 13
- Tested to 60 V DC
- Size 12 contact 0.093 in. (2.36 mm) rated 23

Part No.	Style
0727844	Pin and Socket

## Multimeters

### FLUKE-88-5 88V Automotive Multimeter

**FLUKE**

Part No.	Voltage	Amps
0726103	1000	10

### 233 True RMS 1000VAC-VDC Remote Display Multimeter

Part No.
0745568

## Scopemeters

### 190-204/AM/S 4-Channel 200MHz Color USA ScopeMeter® with SCC Kit

**FLUKE**

The new Fluke ScopeMeter 190 Series II combine the highest safety ratings and rugged portability with the high performance of a bench oscilloscope. Designed for plant maintenance engineers and technicians, these tough ScopeMeter test tools go into harsh, dirty, and hazardous industrial conditions to test everything from microelectronics to power electronics applications. It is the one test tool you will reach for to tackle just about any troubleshooting task. They include a multimeter, TrendPlot™ and ScopeRecord™ roll paperless recorder modes and hands free operation with Connect-and-View™ triggering, and much more.

- Four electrically isolated inputs
- Connect-and-View continuous auto-trigger, single shot, pulse width, and video triggering
- Fast sampling rate with up to 2.5gs/s sampling rate and up to 4ps resolution
- Deep memory with 10,000 samples per channel waveform capture so you can zoom in on the item of interest
- IP-51 rated for dust and drip proof to withstand harsh environments
- Isolated USB devices for memory devices and PC connectivity
- 7 hour battery life standard with new Li-ion technology
- Easy-access battery door to make it easy to switch batteries
- A handy slot to tether and lock down the oscilloscope while unattended
- Cat III 1000V and Cat IV 600V rated

Part No.
0749943
