Squeal Medic™

Effective on all vehicle braking systems, requires no drying time and can be used as an anti-seize lubricant on lug nuts. When applied to the drums and rotors, Squeal Medic fills voids to help eliminate brake squeal and existing systems. Brake finishing treatment designed to eliminate brake noise when applied to drums or rotors. Squeal Medic does not change the pedal feel or modify the break in properties of the linings and prevents oxidation of drums and rotors.
