

Starting Fluids

Jump Start Starting Fluid with Lubricity

For use in both gasoline & diesel engines. Spray in air intake or air cleaner while engine is off. Assures fast, economical starts in cold and humid climates. Prolongs battery and starter life. Use for diesel and gasoline engines.

Part No.	Container Size	Container Type
63335	11 oz	Aerosol

De-Icers

Sprayway® Industrial De-Icer

Melt ice and frost quickly and easily from locks, wipers, windows, windshields or headlights. Use on autos, trucks, buses, taxis, airplanes, store fronts - anywhere ice and frost create a problem. To prevent frozen windshields and locks, apply just before freezing weather is expected and use once a week in locks during cold weather. The spray will not harm the vehicle's finish.

Part No.	Color	Container Size	Container Type
620463	Clear	16 oz	Aerosol

Auto & Truck Windshield Deicer

Defrosts car windows instantly. Helps free frozen locks. Spray in advance to help prevent frost formation. Ideal for cars parked without shelter. DE-ICER defrosts windshields, windows and locks.

Part No.	Color	Container Size	Container Type
5100178	Clear	15 oz	Aerosol

Ice-Off Spray De-Icer Aerosol

- For use on Automobiles, headlights, locks, windows
- Melts ice, snow and frost on contact
- Harmless to car finish
- Thaws frozen locks
- Effective to sub-zero temperatures

Part No.	Color	Container Size	Container Type
0603999	White	12 oz	Aerosol

Fuel Additives

Bio-Rid® Diesel Fuel Protector

- Removes sludge sediments created by insoluble residues & bacterial growth
- Keeps injectors clean
- Absorbs & disperses moisture
- Improves storage stability

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100701	12 oz	Bottle	No	145°F

Diesel Fuel Anti-Gel with Cond. & Cetane Booster

Keeps fuel injectors and carburetors clean. Use in every tank to remove water and improve cleaning performance of the gasoline. Maintains fuel system cleanliness. Improves gasoline mileage, smooths rough idle and removes gum and varnish.

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100175	32 oz	Bottle	Yes	>105°F

Diesel-Tone® Fuel Conditioner

Compounded to improve the performance characteristics of diesel fuel. The results are perceived with improved engine performance, clean injectors and reduced exhaust particulate emissions. This diesel fuel additive complies with the Federal Low Sulfur requirement. Keeps injectors clean. Prevents rust. Stops corrosion. Restores combustion. Dissolves gum and varnish.

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100155	32 oz	Bottle	Yes	140°F

Super Concentrated Fuel Stabilizer

Prevents formation of gum, varnish and rust in fuel system and/or gas cans. Contributes to quick engine start up after storage. Compatible with all gasolines, fuel/oil mixtures, gasohol, oxygenated fuel and kerosene for non-diesel fuel use. Keeps stored fuels fresh and helps keep the entire fuel system clean while being stored. For storage and everyday use in all two and four cycle engines.

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100162	8 oz	Bottle	Yes	140°F

Gas Treatment

Formulated for all grades of gasoline. Keeps fuel injectors and carburetors clean. Use in every tank to remove water and improve cleaning performance of the gasoline. Maintains fuel system cleanliness. WILL NOT HARM CATALYTIC CONVERTERS. Maintains engine performance while reducing intake valve deposits. Helps to increase fuel economy and fights gas line freeze.

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100163	12 oz	Bottle	Yes	140°F

Octane Performance Booster

Removes deposits which tend to cause engine's octane requirements to rise. After use of product, many engines will accept the regular unleaded gasoline's more readily without knocking, pinging and after-run. Octane Performance Booster is an efficient product. Restores engine performance. Reduces knock, ping and hesitation. Cleans injectors, intake valve and combustion chamber deposits. Use as needed.

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100180	12 oz	Bottle	Yes	140°F

Diesel Fuel Treatment

- Year round formula with Anti-gel winter protection
- Keeps fuel injectors clean
- Fights line freeze and improves cold weather starts
- For cars and light trucks
- Non-Flammable

Part No.	Container Size	Container Type	Flammable	Flashpoint
5100651	32 oz	Bottle	No	145°F
5100674	1 gal	Bottle	No	145°F
