**BMP® 21 Portable Label Printer**

The BMP™21 Portable Label Printer is an all-in-one labeler for voice/data comm, electrical and general industrial crews. With label materials designed specifically for harsh environments, the BMP™21 portable printer can quickly and easily create clear, legible labels that stay stuck for years - despite extreme temperatures and curved or highly textured surfaces.

- Easy to peel labels
- Job tough construction
- Built-in industrial cutter. Special wire marking mode
- Multiple line printing and serialization. Operates on 6 AA batteries

**Label Makers**

**BMP® 51 Printer**

BMP®51 Label Maker is packed with time-saving features that can help you create the labels you need more quickly.

- Fast print speed. Prints 1 inch per second!
- Material recognition and automatic label formatting (no calibration!)
- Built-in Bluetooth® technology or optional Wi-Fi card for wireless printing via a network
- Large, graphical display with backlight
- Durable built in cutter and label retention
- 3 power options: AA batteries, AC adaptor or rechargeable Li-Ion battery
- Robust software for advanced label design
- Plus, the BMP51® Label Marker has hundreds of different labeling options to choose from - get all of your labeling done with one printer.

- Continuous and die-cut label materials available
- More than 20 material types and over 190 label parts
- Prints labels up to 1.5" wide (or continuous labels up to 40" long)
- Printer and materials are built to last.
- Tough, durable label materials that won't fade, smear or fall off
- Rugged printer can survive a 4-ft drop onto concrete

**BMP® 53 Printer**

Don't need the keyboard or screen? Check out the BMP53® Label Maker. This printer has many of the same features as the BMP51® Label Maker, minus the display screen and keyboard.

- Creates labels with LabelMark™ or CodeSoft™ Software, or using a Brady Mobile App on your smart phone
- Advanced label design from the familiarity of your own PC or phone
- Control who has access to the label printing with a password protected computer
- Small footprint takes up little desk space
- Use the same label cartridge as BMP51®

Ribbon and label materials in ONE Cartridge!

- Install or remove ribbon and material in one easy step
- No need to worry about having the right ribbon for your materials
- Ribbon and material runs out at the same time (less waste!)

Easy-to-load cartridge with "No Jam" technology.

- Top-loading cartridge that snaps into place (you can't load it wrong!)
- Easy access to cartridge for quick changes
- Locking mechanism prevents labels from retracting into cartridge
