

Cut Resistant Gloves Cont.

Hyflex® CR Cut Resistant

With its stretch DuPont KEVLAR® liner, patented foam nitrile coating and tapered fingers, this form-fitting and lightweight glove offers great comfort and grip as well as moderate cut protection. This glove provides excellent protection from nuisance nicks and abrasions and the extended cuff offers extra cut protection around the wrist. The CR is a safe choice when working with sharp-edged materials and tools. Outwears economy goatskin drivers by up to 50% and offers more than 2x's the cut protection.

- Black foam nitrile coated palm enhances grip in light oil conditions
- Foam nitrile coating
- ANSI Cut Level 2
