**WISE-GRIP FAST RELEASE Locking Plier Tray Set**

IRWIN Vise-Grip Fast Release Locking Pliers are the industry leader in Gripping, holding, and torquing applications for industrial and automotive applications. These pliers come with the patented Fast Release mechanism which allows for one handed operation due to the triggerless release that is 2X easier to open vs traditional locking pliers. These locking tools are safer to work with since there are no pinch points and come with a comfort grip that makes the tool slip resistant in wet applications. IRWIN Vise-Grip Pliers have 2X the life of traditional locking pliers and are backed by a lifetime guarantee.
