

Vises Cont.

All Weather Vises

Perfect for utility or maintenance trucks, construction sites, pipeline projects and oil field service. These vises have the same design features as the Wilton Machinists and Combination Vises straight line pull, enclosed design, hardened steel top and pipe jaws and 60,000 PSI tensile ductile iron for main stress casting

- Ideal for utility or maintenance trucks, construction sites, pipeline projects, and oil field service
- Same design as Wilton machinist and combination vises: straight line pull, enclosed design, hardened steel top and pipe jaws, and 60,000 PSI tensile ductile iron
- Sealed Construction - Enclosed Design Protects All Moving Parts Locking Out Dust, Chips, and Moisture
- Precision Straight Line Pull - Unbreakable Spindle & Nut
- Made In The USA

Part No.	Mfg. No.	Jaw Opening	Jaw Width	Throat Depth	Weight
