7 mil Water Shield Kraft Paper Floor Protector

Non-staining, water resistant Water Shield is made from a lamination of two strong kraft papers with nylon scrim reinforcement. It protects flooring such as hardwood, laminate and tile, and does not tear under normal traffic wear, which eliminates constantly replacing torn paper. Water Shield is moisture resistant and durable enough to be re-used, making it a more economical choice than other products such as red-rosin paper.

- Nylon scrim reinforced
- Non-staining
- Water resistant
- Does not tear under normal traffic wear
- Eliminates constantly replacing torn paper

Hard Surface Protection

Part No.	Roll Width	Roll Length
0259097	36"	300 ft
0259098	48"	300 ft
0259099	60"	300 ft
0259100	72"	300 ft
0259101	96"	300 ft

Hard Surface Protection

Kraft Paper Floor/Surface Protector

Construction grade kraft paper is an excellent resource for professional contractors. It is the preferred alternative to "Red Rosin" paper.

Contractors rely on kraft paper to protect flooring, cabinets and counter tops from foot traffic, paint and spills

- Protects property from harmful spills, splatters and messy floor traffic
- Durable 26 pound kraft paper
- For commercial, industrial or residential use
- Preferred alternative to red rosin paper
- Economical, environmental
