

Cable Ties

Mounting Head Cable Ties

- Provides one piece mounting and bundling
- Clamps are used to attach a bundle of wires to wall, control panel, or ceiling
- #10 Mounting Hole Size

Color				Black UV	Natural
Length	Max Bundle Diameter	Tensile Strength	Pkg. Qty.	Part No.	Part No.
6"	1-3/8"	50 lb	100	63474	63111
8"	2"	50 lb	100	63475	63471
12"	3"	50 lb	100	63476	63472
14.5"	4"	120 lb	100	63477	63473

Releasable Cable Ties

- Releasable Cable Ties are great for bundling wire, ducts, automobile and countless other applications, particularly in the fields where changes are expected
- Unique extended tab end permits easy release and reuse

Color				Black UV	Natural
Length	Max Bundle Diameter	Tensile Strength	Pkg. Qty.	Part No.	Part No.
6"	1-3/8"	50 lb	100	63467	63463
8"	2"	50 lb	100	63468	63464
12"	3"	50 lb	100	63469	63465
14.5"	4"	50 lb	100	63470	63466

Standard Cable Ties

- Smooth rounded edges do not cut insulation or hands and are comfortable to work with
- No metal parts; head and pawl are integrally molded for added strength and durability
- Bent tip on all cable ties allows easier pick-up, insertion and pull-up
- Closely spaced position-locking teeth permit fine adjustment to tie bundles of all sizes
- Self locking, one piece low profile head conserves space
- UV Black resists ultra violet for outdoor use

Performance - Heavy-duty					
Color				Black UV	Natural

1-1/2"	1-1/2"	100	63480	63483

Cable Ties

Pan-Ty® Cable Ties

Engineered with quality features designed to increase productivity and reduce total costs.

- One-piece construction for consistent performance and reliability
- High strength and low thread force
- No sharp edges
- Curved tip makes tie easy to pick up from flat surface, allowing faster initial threading and speedy installation
- Materials and colors to suit the application and environment
- Applicable sizes meet all appropriate Military Specifications and are UL Listed and UL Recognized
- **0712227- Lashing Ties:** Lashing Ties are typically used on Heavy-duty jobs such as securing large cable bundles to permanent structures, indoors or out

Performance - Extra Heavy-duty Cross Section (Straight Tip)
