**Vibra-TITE® Instant SuperGlue**

Single-part clear adhesives that rapidly polymerize at room temperature and develop strength extremely fast. They are initiated by moisture on the parts surface or by accelerators.

**Aron Alpha® 201 General Purpose Instant Adhesive**

General purpose instant adhesive technology for bonding elastomers, metal, and plastic.

Type 201 - Very low viscosity; ultra fast bonding; very low gap fill.

Part No.	Mfg. No.	Container Size	Container Type	Color	Style	Type
0606373	AA480	2 g (5 per)	Tube	Clear	Ultra Fast-Setting	Glue
0606374	AA490	20 g	Bottle	Clear	Ultra Fast-Setting	Glue

**Aron Alpha® 241 Instant Adhesive**

General purpose instant adhesive technology for bonding elastomers, metal, and plastic.

Type 241 - Low viscosity; fast bonding; low gap fill.

Part No.	Mfg. No.	Container Size	Container Type	Color	Style	Type
0606377	AA468	2 g (5 per)	Tube	Clear	Fast-Setting	Glue
0606378	AA576	20 g	Bottle	Clear	Fast-Setting	Glue

**Aron Alpha® 202 General Purpose Instant Adhesive**

General purpose instant adhesive technology for bonding elastomers, metal, and plastic.

Type 202 - Medium viscosity; slower setting; medium gap fill.

Part No.	Mfg. No.	Container Size	Container Type	Color	Style	Type
0606375	AA475	2 g (5 per)	Tube	Clear	Fast-Setting	Glue
0606376	AA485	20 g	Tube	Clear	Fast-Setting	Glue

**Aron Alpha® 101 Instant Adhesive**

General purpose instant adhesives particularly well-suited to bonding metal. This series is insoluble in acetone based solvent.

Type 101 - Very low viscosity; ultra fast bonding; very low gap fill.

Part No.	Mfg. No.	Container Size	Container Type	Color	Style	Type
0606369	AA481	2 g (5 per)	Tube	Clear	Ultra Fast-Setting	Glue
0606370	AA491	20 g	Bottle	Clear	Ultra Fast-Setting	Glue

**Aron Alpha® 102 Instant Adhesive**

General purpose instant adhesives particularly well-suited to bonding metal. This series is insoluble in acetone based solvent.

Type 102 - Medium viscosity; slower setting; medium gap fill.

Part No.	Mfg. No.	Container Size	Container Type	Color	Style	Type
0606371	AA476	2 g (5 per)	Tube	Clear	Medium-Setting	Glue
0606372	AA486	20 g	Bottle	Clear	Medium-Setting	Glue
