

**Restroom Hardware**

**Changing Tables**

Provides patrons with a safe and sanitary baby changing area. Smooth skin surface combined with no visible hardware or dirt traps ensures high cleanability and a sanitary surface. Sturdy construction using an enhanced underside gusset design supports a static 400 lb. load. This design also eliminates baby pinch points prevalent on designs with exposed metal sidearms. Deep rigid changing tray and sturdy strap for baby safety/security. Tray is contoured for adult waist. Central placement of liner box along with two diaper bag hanging hooks frees up adults arms for safer handling of child. Liner box holds double the amount of liners carried by competition to reduce replacement frequency and ensure enhanced liner availability. When closed, meets the American Disabilities Act requirements of protrusion distance from wall in relation to its hanging height. Dimensions open 35-3/4" x 31" x 21". Closed 35-3/4" x 31" x 4"

- Changing stations meet all global safety standards (ASTM, ADA, FDA, and EN).
- Antimicrobial protection
- Easy reach hooks
- Built-in shelf and liner storage
- Wall Mount

**950 Toilet Bowl Cleaner**

Contains 9.5% Hydrochloric Acid to remove mineral scale, rust and uric acid deposits. Also has a germicide to disinfect and deodorize, and detergents that provide superior cleaning power. 950 Bowl Cleaner is easy to use and suitable for daily bowl cleaning. Pleasant floral scent. Effective in the presence of 5% organic serum.

- Thickened so that it clings to the sides and under the rim of bowls and urinals
- This ability to adhere to vertical surfaces allows for better cleaning and disinfection of surfaces compared to water thin products

**Foamy MAC® Restroom Cleaner**

- GreenSeal Certified
- Foaming Restroom Cleaner
- Safe for all Restroom Surfaces
- Great Fresh Scent

Foamy MAC® Restroom Cleaner is an advanced foaming cleaner formulated to cling to surfaces when sprayed with a foaming trigger sprayer or a foam gun. Foamy MAC® will clean soap scum, mineral deposits, lime or grease off of all acid resistant surfaces including: ceramic tiles, grout, drinking fountains, steam tables, wash basins, shower stalls, bathtubs toilet bowls and urinals. Safe for use on chrome fixtures.

\*\*Do not use on marble, terrazzo or natural stone. Do not mix with other chemicals, especially alkaline, ammonia or bleach cleaners.

0604800	910403	1 gal	Bottle	Fresh

**Claire® Disinfectant Foaming Bathroom Cleaner**

Non-scouring, non-scratching sanitary maintenance cleaning is as easy as spray and wipe with No. 866 Germicidal Surface Cleaner. This spray is suitable for use in homes and other residential dwellings, hospitals, nursing homes, clinics, medical facilities, businesses, hotels/motels, restaurants, schools, institutions and commercial establishments. The spray is perfect for any washable surface that needs disinfecting as you clean. No. 866 easily removes dirty hand prints from walls and doors, scuffmarks from floors, bathtub rings, soap residue and acts as a disinfectant on such surfaces as toilet seats, fixtures, tiles, wash bowls, shower stalls, walls, woodwork, counter tops and desk tops. It effectively kills a variety of germs, bacteria and viruses, including HIV-2 (AIDS Virus), influenza A2/Japan Virus, and Herpes Simplex Virus Types 1 and 2 on hard, inanimate, non-porous environmental surfaces. Authorized by the USDA under classification C2. Not approved for sale in Canada.
