

**Chicago/Universal (Crowfoot) Fittings**

Chicago fittings, also known as universal or crowfoot fitting are a 1/4" turn fitting used for attaching hoses or piping together. The advantage of this type of fitting is that there is no male or female, both fittings are identical.

**Chicago Universal Hose Couplers**

Connection Type	Barb	Female NPT	Male NPT
Size	Part No.	Part No.	Part No.
1/4"	-	0400572	
3/8"	0400568	0400573	0400578
1/2"	0400569	0400574	0400579
3/4"	400457	0400575	0400580
1"	0400571	0400576	0400581

**4-Lug Hose End**

Connection Type	Barb	Female NPT
Size	Part No.	Part No.
1-1/4"	-	0400585
1-1/2"	0400583	0400586

**Accessories**

Part No.	Type	Style
0400588	Coupling	3-Way Connector
0400589	Coupling	Dead End
0400590	Gasket	2-Lug
0400592	Safety Clip and Lanyard	Safety Clip and Lanyard
0400593	Safety Clip	Safety Clip Only
0400594	Lanyard	Lanyard Only

**King Combination Nipples**

**King Combination (KC) Nipples**

- A versatile way to transition from hose to pipe, adapters, valves or strainers
- Use for bulk or fluid handling such as low pressure suction or discharge
- Attach to hose with hose clamps or preformed band clamps
- Not for use with compressed air or steam

Part No.	Connection Type	Hose I.D.
0400615	1/2" M NPT	1/2"
0400616	3/4" M NPT	3/4"
0400617	1" M NPT	1"
0400618	1-1/4" M NPT	1-1/4"
0400619	1-1/2" M NPT	1-1/2"
0400620	2" M NPT	2"
0400621	2-1/2" M NPT	2-1/2"
0400622	3" M NPT	3"

**Pneumatic Quick Disconnects**

**Oetiker Swing Couplings - Industrial Interchange**

Swing Couplings by Oetiker offer unrestricted full flow with safe, quick connection and disconnection under pressure.

- Pneumatic Quick Disconnect Safety Coupler with Full Flow
- No pressure at disconnection
- Connect to industrial series plugs

0400426      0400428

Part No.	Series	Description
0400426	B1	1/4" NPT Female Swing Coupling
0400428	B1	1/4" NPT Male Swing Coupling
0400433	E	3/8" NPT Female Swing Coupling
0400435	E	3/8" NPT Male Swing Coupling
0400436	E	1/2" NPT Male Swing Coupling
