

Protective Screens & Curtains Cont.

Welding Curtain Rolls

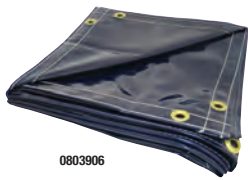

Ideal for instant curtains for maintenance projects. Simply roll out the length of curtain needed and cut it off the roll with scissors.

- The 14 mil transparent vinyl material allows visibility through the curtain, but blocks most harmful UV rays
- 60" wide with grommets every 12" on one side

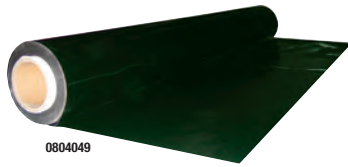

Part No.	Width	Length	Color
0800211	25 yd	5 ft	Gray
0800213	25 yd	5 ft	Yellow
0800214	25 yd	5 ft	Orange

Transparent Welding Curtains

0803906

0804049

Part No.	Width	Length	Color
0803906	10 ft	6 ft	Blue
0803915	6 ft	8 ft	Blue
0804049	81 yd	6 ft	Green

Welding Cable

Welding Cable

- Custom cable labels, sizes, lengths and colors available
- Made in the USA

Part No.	Size	Length
0812001	#4	25 ft
0812020	#4	50 ft
0812003	#4	100 ft
0812000	#4	250 ft
0812009	#1	25 ft
0812022	#1	50 ft
0812023	#1	100 ft
0812004	#1	250 ft
0812005	#2	25 ft
0812021	#2	50 ft
0812011	#2	100 ft
0812002	#2	250 ft
0812013	#1/0	25 ft
0812014	#1/0	50 ft
0812015	#1/0	100 ft
0812006	#1/0	250 ft
0812017	#2/0	25 ft
0812018	#2/0	50 ft
0812019	#2/0	100 ft
0812008	#2/0	250 ft
0812010	#3/0	250 ft
0812012	#4/0	250 ft

Cable Lugs

Cable Lugs

- Outside edge of bolt terminal is sealed to reduce corrosion
- Style - straight

Part No.	Cable Size	Stud Hole Size
0844032	#8	3/16"
0844028	#8	3/8"
0844031	#6	1/4"
0844027	#6	3/8"
0844030	#4	5/16"
0844026	#4	3/8"
0844021	#4	1/2"
0844029	#2	5/16"
0844025	#2	3/8"
0844020	#2	1/2"
0844024	#1	3/8"
0844019	#1	1/2"
0844023	#1/0	3/8"
0844018	#1/0	1/2"
0844022	#2/0	3/8"
0844017	#2/0	1/2"
0844016	#3/0	1/2"
0844015	#4/0	1/2"

Electrode Holders

Electrode Holders

- 200A - Solid brass spring loaded jaw accepts rods up to 3/16" in 45, 90, and 180° angles
- 300A - Solid brass spring loaded jaw accepts rods up to 1/4" in 45, 90, and 180° angles
- 500A - Accepts rods up to 5/16"

Part No.	Electrode Capacity	Amps
0844000	3/16"	200
0844001	1/4"	300
0844002	5/16"	500
0844003	5/16"	500

Ground Clamps

Ground Clamps

- Plated steel with very strong springs for excellent clamping power and superior electrical connections
- Heavy-duty clamp jaws are connected with copper woven shunt (0844006 only)
- Circular shaped jaw inserts help for clamping onto irregular shapes

Part No.	Amps	Material	Style
0844007	300	Brass	Rounded
0844005	300	Steel	Flat
0844006	500	Steel	Economy
