

FASTENAL®

Your Local, One-Stop Hurricane Preparedness Source

In recent years, we've all witnessed the damage hurricanes can cause to homes, businesses and lives. The good news is that Fastenal makes it easy to get prepared. With more than 2,600 stores, including hundreds in the Atlantic and Gulf Coast regions, we're your convenient local source for the supplies you'll need to get ready for the storm and get back up and running once it passes. Call your local Fastenal representative to stock up on hurricane preparedness supplies today.

Hurricane Preparedness Basics

Disaster Plan

Establish a safe room, escape routes and meeting places. Keep emergency phone numbers on hand and designate someone to communicate with employees, customers and suppliers.

Emergency Kit

The basics include a flashlight, a battery operated radio, extra batteries, a first-aid kit, canned and other non-perishable food, a week's worth of water, a manual can opener, waterproof shoes, tools, waterproof bags, and cash.

Business Records

Keep a back-up of your important records/computer data stored off-site, at least 50 miles away (preferably inland).

Inventory

Store it as high off the floor as possible and positioned a good distance from exposed glass windows.

Storm-Proofing

Cut 5/8" marine plywood to fit over exposed windows/glass; keep gutters and rain spouts clear; and install clips or straps to fasten the roof to the building structure.

Emergency Response & Recovery

Check fastenal.com for information on state and cooperative use contracts. Get us involved in your preparedness planning and disaster recovery. Contact your local store or email blueteamresponds@fastenal.com
