

WHAT DOES OUR PROGRAM OFFER?

Fastenal's Tool Repair Centers provide the industry's most comprehensive capabilities under one roof. No longer does your business need to source repair and maintenance support from numerous companies to satisfy your needs. With well over \$1,000,000 in repair parts and accessories stocked and available for purchase, our repair center capabilities are as diverse as your business. To better serve our customers, we have developed a FastFix Rate to speed along the process for repair. This program is based on the average purchase price for industrial grade tools. (See Reverse for Additional Information).

Fastenal is a warranty authorized repair centers for a majority of the major tool brands. This is a key advantage to your business, reducing the need to track, separate, and send tools, hoists, and other equipment directly to the manufacturer for service. Fastenal handles the warranty process in its entirety on behalf of your business.

In addition, Fastenal offers a 90 day warranty on all repairs that are completed by our repair centers.

Fastenal is an authorized warranty center for the following brands:
